

2011-2012 Recreational Soccer FAQ

Children eligible for Kindergarten are eligible for Munchkin soccer. The kindergarten program runs on Saturday mornings from September to October for an hour. Boys and girls are together and participate in a clinic style format with some short sided games at the conclusion of the morning. Cleats and shin guards are required.

Grades 1-2: Boys and girls are separated into small sided teams. The teams will practice one night per week (determined by the coach) and play games on Saturday mornings. All of the games are in town. The season runs from September through October. Cleats and Shin guards are required.

Grades 3-8 typically practice two nights per week and play games on Saturdays. Boys and girls in this age group will play some home games and also travel to the surrounding towns. Practice will start sometime in August and games will be played September through November. Cleats and shin guards are required.

All players will receive a uniform shirt and socks.

FAQ

“Where is practice?” The new soccer complex on Atsion Road between Stowe and Grassy Lake

“When does practice take place?” Practice nights are determined by the coach.

“I would like to coach a team.” If you would like to coach a team, please indicate that on your registration form. All coaches need a

background check. Information regarding the background check can be found on the website.

“How can I volunteer?” Volunteers are always needed. Please indicate your interest on your registration form and you will be contacted by the organization.

“How can I sponsor a team?” Please indicate your interest on your registration form and you will be contacted by the organization.

May I request my child be on a team with another child?” Please indicate your request on your registration form. We try our best to honor reasonable requests.
